DIRECTOR'S MESSAGE

Seven steps pre-school was an initiative taken by us long time ago to make our vision of "education for all" come true. The institution has been making an organization for a great difference in the field of education for the last 16 years.

As a leading institution, the school has been fulfilling all the needs at the day by being technologically empowered with time. The infrastructure of the school, our pledge to always maintain futuristic perspective and adaptation of T³ extraordinary Teachers, Technology along with Tremendous and innovative Teaching Methodology differentiates it from the other school in vicinity.

Mr. Sanjaybhai J. Baldaniya,
M.D. - Sunrise Group (98241 45453)

Branch Head's message

Mr. Sureshbhai V. Ahir
BRANCH HEAD (99249 42035)

Vision of this school has always shown concern for the society and aims to build credibility up trust and using educational message. Sunrise vidyalaya has completed 15 years of its excellence. It is now, not just a school, it represents a spirit, a will to achieve and it captures the passion for excellence. We firmly believe that before any success occurs in an organization, it is preceded by great deal of hard work, which is motivated by a powerful sense of vision. Thus, so far has been commendable as we have accelerated our way to conquer the pinnacle of success. We have passed several notable milestones and have consistently improved on many fronts that have a bearing on achieving academic excellence.

HIGHER, STRONGER, BRIGHTER towards Academic and Human acquaintance.

TALENT WINS GAMES,
but teamwork and
intelligence
win CHAMPIONSHIPS

Co-ordinator's message

Nothing less than pinnacle must be aimed at but dreams along with humility must stay in heart for the success that is forever.

Our school's aim is to prepare students to amalgamate both traditional and Modern facets so that they can cope with the crowd of Many.

We, at school, facilitate all the young buds to blossom well by nourishing and nurturing them through providing them a favourable atmosphere with our child centric approach.

Hail to all the young birds to soar High in the sky of knowledge and joy.

Mr. Haresh B. Baldaniya
Co-ordinator (94277 55573)

Principal's message

Education is not a destination but a journey in itself that turns an entity into a human being which is the biggest need of the time.

Dear parents,

Through this prospectus which is a glimpse of our school, we welcome you all to cherish the journey of your child's education. Ours is a unique approach to provide your child an environment which will capacitate your gem to explore himself and get development to the extent where he/she may be a successful, professional and an individual leaving his/her Mark in the galaxy of success.

We wish all our students to excel in Life and do their best!

Mrs. Minaxi Bhagat
Principal (90992 94626)

NURSERY JR. KG

SEVEN STEPS
PRE SCHOOL

Class Rooms & other programs

Pre-primary Education

Early childhood education helps children by creating a life long passion for learning, helping them to develop social skill. Encouraging the development of five motor and sensors skills.

Play group / Pre-nursery

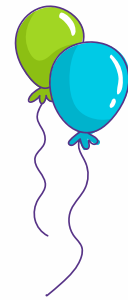

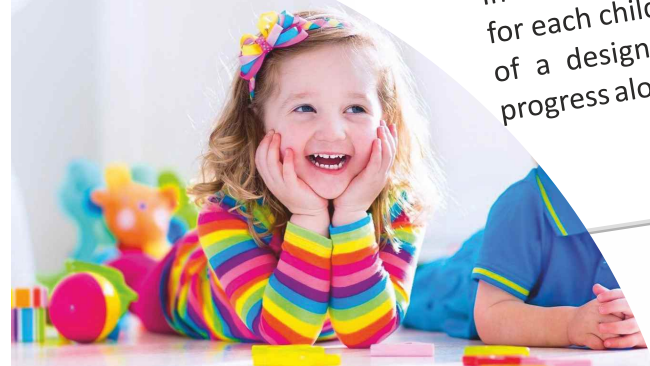

The program is designed to help a child own, his/her skills for school. A wide range of activities are conducted to stimulate the mind and inculcate independent behavior. Children are made aware of basic concepts through the play way method.

Nursery

This program is designed to prepare a child in pre-reading, pre-writing and social skills all one step at a time. Teachers give exposure to more complex activities and inculcate life skills like confidence, communication problem solving etc. Emphasis is laid on well planned activities which contribute to the achievement so early learning goals. The complexity of concepts increases in nursery in order to nurture their Natural curiosity, such as moving from familiar to unfamiliar, simple to complex & concrete to abstract.

Junior kg & Senior kg

In the fourth & fifth year based on demand and space available for each child. Here the child is nurtured within the framework of a designed curriculum. The Focus remain on academic progress along with the honing of life skill and talents.

CURRICULUM MODEL

Seven steps has a well defined curriculum based on multiple intelligences theory, hence the teaching and evaluation of the children are completely based on the individual learning styles without comparing one child with another in any area. We do not follow the age-old rigid syllabus where in as soon a child enters the pre-school, he/she is handed a pencil and Made to write pages and pages, without a thought on what is being understood. At Seven steps, we understand the developmental milestones, i.e. the expected stages the children need to go through and hence our lesson plans are based totally on those; starting the writing process with air and sand writing and the speaking/reading process with phonics.

Educational Facilities

- Highly qualified and experienced staff
- Improving communication skills in English
- Improving writing and reading skills
- Weekly tests are conducted for all subjects
- Group discussions are conducted for all subjects
- Personal care is taken for dull students
- Teachers will be in touch through PTM
- Motivational seminars are conducted for students

- Continuous observation by C.C.T.V camera and recording
- ISO 9001-2008 certified quality management
- Limited students in each class
- Activities are conducted for easy learning process
- Safe transportation facility
- Good approachable management

Student well - Being

- Develop social skills, as well as communication skills for solving problems peaceably.
- Develop the ability to work and co-operate in small and large groups.
- Physical activity, Exercise for children.
- **Technology time** : There is so much technology available to children.

Our 7 steps of Success

Strong foundation is the key to a strong building. Strength and height of a building depends on excellence of its pillars.

Following the same and writing the stories of success, we at seven steps pre-school are sincerely indebted to all our pillars that have laid the foundation of the school so strongly that we have been able to achieve the vision with which we had begun 16 years ago.

Teaching and Learning

- Supporting the child in the acquisition of knowledge, ability, skills and attitudes required for his school entry and throughout life.
- All activities with children should respect child's right to play -viewed as a form of activity; method procedure and means of achieving education approaches. At early ages, as well as a method of stimulating the capacity and creativity of the child, as a right of him/her and as an opening to freedom to choose according to their own needs.
- The area of child's development targeted in the specific curriculum for early pre-school age, as physical development health, personal care, social- emotional development, language development and communication, developing skills and attitudes in learning are essential to achieve a customized...

Unique kids growth techniques ACHIEVED TO HELP STUDENTS

- Improve social skills children learn to engage better with other children and adults.
- Better performance in grade school children who receive early education are known to have a reduced need for special education instruction in elementary school and beyond.

"The highest result of education is tolerance"

Entire Development

Holistic educational aims at helping students To be the most that they can be educated with a holistic perspective is concerned with development of every person's intellectual, emotional, social , physical artistic, creative and spiritual potentials.

As time changes, so do our approaches to teaching and learning. It can be so easy to get caught up with all of these the new and improved teaching techniques and learning styles that we tend to forget about the basics.

Teachers and early childhood educators are being encouraged to get back to the basics by focusing their teaching methods to a holistic approach to support early childhood development. Like most of us, we learn best when we are feeling motivated and inspired children are the same.
